Just in Time Guided Reading
Independent Educational Consultant
Specializing in The Next Step in Guided Reading by Jan Richardson

Known as the "mini Jan" Sandra has been personally trained by Dr. Jan Richardson for over a year.

"Sandra you have such great presence and top- notch skills. I think you know my books as well as I do!" - Jan Richardson

Learn how to:

Flawlessly implement Jan Richardson's 'Next Step' guided reading lessons.

Use data to drive and target focused instruction.

Help striving readers learn reading skills and strategies.

Challenge all readers to acquire higher-level critical thinking skills necessary to tackle the rigorous

text associated with the latest standards.

***"Dear Sandra,
Thank you for the comprehension
introduction to Jan Richardson's Next
Step in Guided Reading. Your friendly
manner quickly built rapport with us
and your clear, explicit explanations
helped us better envision
implementing this instructional
model."***

*-Theresa Wilkowski, Ed.D
Director of Curriculum
Lakeland Central School District, NY*

"To borrow a performing arts term, Sandra is a triple threat. She brings a strong pedagogical knowledge, practical experience as a teacher and instructional coach, and undeniable passion for effective literacy instruction. She is the complete package, and every educator will leave her professional development sessions with something to help move them forward in their practice."

-Mary R. Conage, Ed.D., Director, Special Projects, Pinellas County School District

"East Elementary has had the pleasure of having Sandra Weaver train and consult with our staff this year as we implement The Next Step in Guided Reading at my school. She is indeed outstanding and we are enjoying seeing our students grow. In fact she will be back next week to observe and coach our teachers as we continue to grow." East Elementary (Union County NC)

-Denny Ferguson, Principal, East Elementary

"Sandra Weaver's comprehensive guided reading training inspires a love for the teaching of reading and makes immediate implementation possible."

- Lana Brown Deputy Superintendent Lindsay Unified Schools (Lindsay, California)
